

Full-Time Undergraduate Day Student Tuition and Room & Board

From its establishment in 1851 until 1901, Saint Joseph's University provided instruction free of charge. In the 1901-02 school year, however, as the expense of the new College Building at 17th and Stiles Streets depleted resources and added additional expense, "the President and Directors of Institution, moved by the necessity of meeting current expenses and paying the debt at last decided to impose a tuition fee." The charge - \$50 per term of five months.
