### UNDERGRADUATE OUTCOMES SUMMARY - CLASS OF 2017

Outcomes data for the Saint Joseph's University Class of 2017 were obtained through a survey of Undergraduate Day graduates who received bachelor's degrees between January and September 2017, as well as through knowledge gained by university faculty and administrators and LinkedIn.com. The survey was conducted from July 2017 – December 2017 by the Career Development Center. Information is based on 788 graduates; 71.4% of the graduating class. Typical response to similar surveys conducted at other colleges and universities nationwide is 60-65%.
