OUTERGRADUATE OUTCOMES SUMMARY - CLASS OF 2018

Outcomes data for the Saint Joseph’s University Class of 2018 were obtained through a survey of Undergraduate Day graduates who received bachelor’s degrees between January and September 2018, as well as through knowledge gained by university faculty and administrators and LinkedIn.com. The survey was conducted from March 2018 – December 2018 by the Career Development Center. Information is based on 748 graduates: 68.4% of the graduating class. The combined knowledge in 2017 for all schools that submitted data to the National Association of Colleges and Employers (NACE) was 64.5%.
