

GEP

Requirements for the Chemistry Major: Biochemistry Option

Degree Requirements: 40 courses are required for graduation. These 40 courses are comprised of:

A) GEP Signature Core, B) GEP Variable courses, C) GEP Integrative Learning Courses, D) Major Requirements, E) free electives, and F) Overlays.

A. GEP Signature Core Courses All non-transfer students must take these 6 Courses at SJU.	Semester completed
PHL 154 Moral Foundations	
THE 154 Faith, Justice & the Catholic Trad	
ENG 102 Texts and Contexts (pre-req: ENG 101)	
HIS 154 Forging the Modern World	
First Year Seminar	
Faith and Reason Course (pre-reqs: THE 154 and PHL 154). <i>See page 3 for additional information on this requirement.</i>	

Department Contact Information:

Dr. Mark Forman, Chair
SC 403A
mforman@sju.edu
610-660-1781

Kathy Gordon, Administrative Assistant
SC 403A
Kgordo01@sju.edu
610-660-1780

B. GEP Variable Course (Maximum 9 courses)	Course(s) required/taken Please note students may earn AP credit and/or use transfer credits to meet these requirements	Semester Completed	
Fine and Performing Arts or Literature	One course		
Mathematics (Beauty)	MAT 161 (Calculus I)		
Natural Science	CHM 120 General Chemistry I (or CHM 121 Gen Chem Honors) and CHM 120L General Chemistry Lab I		
Non-native Language	1-2 courses at the level in which the student is placed. Possible sequence options include: 101___ 102___ (2 courses) 102___ 201___ (2 courses) 201___ 202___ (2 courses) 202___ 301___ (2 courses) 301___ (1 course) AP Score of 4 – awarded credit for 202 and required to complete one additional course at SJU (typically 301 or 303) AP score of 5 - awarded credit for 2 courses - requirement is fulfilled. No additional courses required at SJU.	Course 1	Course 2
Social/Behavioral Science	One course		
Philosophy (Phil. Anthropology)	One course		
Theology (Religious Difference)	One course. The course used to satisfy this requirement cannot be used to satisfy and the diversity/globalization/non-Western overlay		
Writing	ENG 101 Craft of Language - May also be satisfied by earning a 4 or a 5 on the English Literature or Language AP test.		

C. GEP Integrative Learning Courses for Chemistry (3 courses)	Semester Completed
1. MAT 162 Calculus II	
2. PHY 105/105L University Physics I/Lab I	
3. PHY 106/106L – University Physics II /Lab II	

GEP

Requirements for the Chemistry Major: Biochemistry Option

D. Major Requirements		
Course		Semester completed
1. BIO 101/101L Biology I: Cells and Cells Lab		
2. BIO 102/102L Biology II: Genetics and Evolutionary Biology		
3. CHM 125 General Chemistry II (or CHM 126 Gen Chem II Honors) and CHM 125L General Chemistry Lab II		
4. CHM 210/210L – Organic Chemistry I and Organic Chemistry Lab I		
5. CHM 215/215L – Organic Chemistry II and Organic Chemistry Lab II		
6. CHM 310– Physical Chemistry I		
CHM 310L Physical Chemistry Lab		
7. CHM 315 – Physical Chemistry II		
8. CHM 330/330L – Instrumental Analysis and Instrumental Analysis Lab		
9. CHM 340/340L – Biochemistry and Biochemistry Lab		
10. CHM 350/350L – Inorganic Chemistry and Inorganic Chemistry Lab		
11. CHM 480 Advanced Biochemistry: Inorganic Biochemistry		
In-Depth Course Requirements		
Two In-Depth Chemistry courses (see list below)		
or		
One In-Depth Chemistry course and Senior Research I-II		
or		
One In-Depth Chemistry course and one Math/Natural Science elective (see list below, this option must be approved by the Chemistry Chair in advance)		
<i>In-Depth Chemistry Courses:</i>		
CHM	400	Chemistry of the Earth
CHM	410	Biophysical Chemistry
CHM	420	Environmental Chemistry
CHM	430	Mechanisms in Organic Chemistry
CHM	440	Organometallic Chemistry
CHM	460	Aqueous Chemistry
CHM	490	Spectroscopy
<i>Math and Natural Science Electives:</i>		
MAT	213	Calculus III
MAT	225	Fundamental Ideas of Mathematics
MAT	231	The Mathematics of Music
MAT	232	Chaos, Fractals, and Dynamical Systems
MAT	233	History of Mathematics
MAT	334	Combinatorics and Graph Theory
MAT	336	Logic and Foundations
PHY	251	Modern Physics I
PHY	253	Survey of Nanotechnology
PHY	255	Linear Systems in Physics
PHY	257	Mathematical Methods in Physics
PHY	261	Electronics I
PHY	301	Classical Mechanics

GEP

Requirements for the Chemistry Major: Biochemistry Option

E. Free Electives (Minimum 9 courses) Note that the number of free electives may vary depending on AP credits earned and number of courses required for the non-native language requirement.			
Course	Semester Completed	Course	Semester Completed
1.		6.	
2.		7.	
3.		8.	
4.		9.	
5.			

F. Overlays These overlays may be fulfilled by a GEP variable course, major course or free elective that is certified to meet the requirement. To determine which courses have been certified to fulfill these overlays, please use the "Attribute Type" search option in the "Look up classes" search page on My SJU. <i>See below for an additional note on these requirements.</i>	Semester Completed
1. Writing-Intensive (pre-req: ENG 101) (CHM 350L satisfies this requirement)	
2. Ethics-Intensive (pre-req: PHL 154)	
3. Diversity/Globalization/non-Western - Please note that the course used to fulfill the Religious Difference course requirement cannot be used to also fulfill the Diversity, Non-Western, or Globalization overlay.	

Note regarding Three Overlays and the Faith & Reason Requirement: As noted above, in addition to the 40 courses outlined, students must complete: (1) one course certified in diversity, globalization, or non-Western studies, (2) one ethics-intensive course, and (3) one writing-intensive course. An elective, major course, select GEP courses, a minor course, or an elective may be used to fulfill these overlays. Below are specific guidelines for each class with regard to overlay requirements and the Faith & Reason signature core course:

Class of 2014:

Of the four GEP requirements, Faith & Reason and the three overlay requirements, students in the class of 2014 need to satisfy two of the four requirements. With respect to these four components of the GEP, this means that students in the class of 2014 are required to complete (1) a Faith and Reason course and one overlay requirement OR (2) two overlay requirements.

Class of 2015:

Of the four GEP requirements, Faith & Reason and the three overlay requirements, students in the class of 2015 are required to complete three of the four. Students in the class of 2015 are required to complete (1) a Faith and Reason course and two overlay requirements OR (2) all three overlay requirements.

Class of 2016:

Students in the Class of 2016 must complete the GEP Faith & Reason course requirement and two of the three overlays.

Class of 2017

Students in the Class of 2017 are required to complete all four GEP requirements, Faith & Reason and the three overlays.

FIRST-YEAR	Fall	Spring
	<ul style="list-style-type: none"> • CHM 120, 120L (or Honors CHM 121) • BIO 101/101L • MAT 161 • Non-Native Language I • First-Year Seminar 	<ul style="list-style-type: none"> • CHM 125, 125L (or Honors CHM 126) • BIO 102/102L • MAT 162 (ILC) • Non-Native Language II • ENG 101
