Courses Listed under Gender Studies:

GEN 200 Seminar in Feminist Theories (3 credits)

An introduction to new theoretical and methodological approaches to the study of gender in the humanities and the social and natural sciences. Required of all Gender Studies minors; typically offered once a year in the spring semester.

GEN 470 Selected Topics in Gender Studies (3 credits)

An independent study, typically undertaken in the Senior year, in which the student develops and presents a research project in her or his major field of study which incorporates gender perspectives and feminist theories. Prerequisites: GEN 2901, the approval of an independent study director in the student's major, and the approval of the Director of Gender Studies .
