Course Search Guide

Searching for courses based on Instructional Method
Course Modalities

In an effort to provide as much flexibility as possible, spring 2021 classes will be offered in a variety of modalities including:

- Online
- Hyflex
- Hybrid
- face-to-face
Search For Classes

- Log into the Nest
- Click on the Classes & Registration tab > Self-Service Course Registration > Spring 2021 > Browse Classes
Advanced Search

Use the **advanced search option** to search by instructional method.

Select one or more options...
Search Results

For course information (including instructional method), **click on the course title**

If displayed on multiple pages, Click on the arrow to see all results
Instructional Method listed under the Class Details tab
If you need a fully online schedule

- Course options:
  - Online
  - Hyflex
- If you can't find another class, and your current class is hybrid, please reach out to the professor and their department Chair to ask if a remote learner can be accommodated.
- If the class is within your major, please contact your faculty advisor and/or department Chair for guidance on class choices.
- For additional help, please email your Advising Center
