## GENERAL UNIVERSITY NEWS

### **Do you know a high school student who is passionate about volunteering?**

The Kinney Center for Autism Education and Support at Saint Joseph's University has the perfect opportunity! This Spring, we are incorporating high school volunteers into our Transitional and Recreational Programming. These individuals act as role models, helping program participants develop essential communication and social skills so that they can improve relationships with family members, teachers, therapists, and peers. Check out the full position requirements and application [here](#).

**Hank Gillen (US Army) Named Director of Saint Joseph's University's Office of Veteran Services.** After a distinguished career in military service, teaching and project management, Gillen has assumed the directorship following the retirement of Ralph Galati '70 (USAF), the inaugural director who served a three-year term.
