**Description of Agency:** YouthBuild Philly was founded in 1992 to give high school dropouts a second chance and the opportunity to build a brighter future for themselves and their community. Our innovative program offers young at-risk adults a high school diploma, valuable job skills, and the opportunity to learn and grow in a community-oriented, supportive environment. We prepare our students for further educational attainment and meaningful careers as they become leaders and contributing members in a stronger Philadelphia. YouthBuild’s one-of-a-kind program combines an accelerated academic program with vocational training and service learning. Our school has three core values: Excellence, Respect, and Perseverance. We believe that every student, regardless of his or her past, can embrace these values and achieve anything.
