

Teaching Assistant Application to work in the GEP Instructional Laboratories (Connelly Hall): FALL 2017

Thank you for your interest in being a teaching assistant for the lab-based science courses for non-science majors. In order to apply:

- Please complete the application below.
- Please attach your tentative schedule. You can submit a final one later.
- Please list all the science classes you have taken here at SJU.

Submit all documents to Dr. Brian M. Forster (bforster@sju.edu, 112 Connelly Hall, 610-660-3188)

Name: _____ ID: _____

Major/Degree/Graduation Year: _____ Email: _____

Are you Work Study eligible for Fall 2017? Circle **YES NO**

Courses available:

ENV 106L: EXPLORING THE EARTH LAB. 3 hrs lab per week.

TA will assist faculty in teaching lab with occasional opportunity to assist instructors collecting field samples. The course is a general environmental science course designed for non-majors with emphasis on global climate change.

BIO 165L: EXPLORING THE LIVING WORLD LAB. 3 hrs lab per week.

TA will assist faculty in teaching lab. The course is a general biology course designed for non-majors covering topics from Cells, Genetics, Organismal and Ecology.

Please check off the courses/times that would interest you. Please indicate **ALL** potential possibilities.

If more than one position is of interest, please rank them (1 being most preferred).
