MOVE-IN is almost here! We look forward to welcoming you back to campus. We hope you will use this information and find it helpful in your preparations.

WHAT WILL THE CHECK IN PROCESS BE LIKE?
Students are required to check-in to their assigned Residence Hall prior to moving in. At the assigned check-in time for their floor, students should report to the designated check-in area for their building (See the Move-In Instruction card included with this mailing). Please refer to the enclosed campus map for the best route to your check-in location. It is important that you follow this flow of traffic to ensure that the move-in process runs efficiently and quickly.

HOW MUCH TIME DO I HAVE TO UNLOAD MY CAR?
After receiving your room key(s) at your designated check-in location, you will be given a short window of time to unload your car at your Residence Hall. The following guidelines will be strictly enforced:

• Cars are allowed 15 minutes in the unloading zone.

• Permanent parking will not be allowed in the unloading zones.

• Immediately following the unloading of your vehicle, your car must be moved to a long-term parking lot. Campus Security will be directing cars to the most convenient vacant lot. Shuttles will be provided for transportation to and from these lots.

• Upperclassmen are reminded they will be unloading their vehicles on their own and due to the layouts of various buildings (steps) laundry carts may not be available.

• Finally, remember that only 1 car per student resident is permitted in the loading zone at a time.

See you Sunday, August 26th!
**What to Bring**
Standard twin size sheets
Pillows
Blankets/sheets
Desk lamp (not provided in rooms)
Hangers
Laundry bags
Laundry detergent
Cleaning supplies
Computer

**A Word About Cars**
SJU Public Safety manages all parking permits
- Sophomores are NOT permitted to bring cars to campus (Very few exceptions)
- Students living in Merion Gardens & Townhouses may apply for specific parking permits at no additional cost
- There are several main-campus paid parking permits available for Juniors & Seniors

For all parking inquiries see www.sju.edu/security or purchase a parking decal through the Nest
