

Projecting Bloomberg from MV295 Podium

From Bloomberg Terminal

1. Logon to SJU Domain with userid/password
2. Login to Bloomberg

From Podium Terminal

1. Start Projector
2. Logon to SJU Domain with userid/password (must be same as the SJU userid/password used on the Bloomberg Terminal)
3. Click on Bloomberg-MV295 Icon on Desktop
4. Enter SJU userid/password to sign into Bloomberg system remotely (this locks the Bloomberg terminal)

When finished

1. Click on Start (on Bloomberg window)
2. Click Logoff
This releases the Bloomberg system from being locked
3. Logoff Podium
4. Shut down projector
