

STOCK SCREENING IN BLOOMBERG

To log in, hit the red <Default> key and type

Login: WSTR1 or WSTR2

Password: Bloomberg

To get to the screening menu, type QSRC and hit <GO>

From among many search templates, choose “Value Search Template” and fill in minimum and maximum values for each variable. You can leave some fields blank. To screen only for U.S.A. companies, choose USA in countries. Hit <Menu> to save. To exclude some industries, click on industry groups and select all industries except Financial and Utilities. Hit <Menu> to save industry subgroups. The picture below is what you will see. (Notice only 352 industries are included.)
