

**Withdrawal from all Classes**

A student wishing to withdraw from all classes must do so within the withdraw period, which ends two weeks after the end of the quarter.

When a student withdraws from all classes, he/she is still considered an active student for the semester of the withdraw.

In making this decision, a student should consult with his/her academic advisor. The Academic Dean in Arts & Sciences or the Advising Center in HSB will coordinate with the Hawk Central office to process the withdraw from all courses.
