¹ACC 101EC Excel Competency is a one credit online course in conjunction with ACC 101. Competency in Excel must be demonstrated by all first-year business students in the fall semester.

²DSS 210 is a pre-req for DSS 220 and should be taken first, DSS 200 is not and can be taken either semester.

³To satisfy this requirement the student may take either one-credit laboratory course or two 3-credit non-laboratory courses. If choosing the 2 semester option, the second course replaces an elective.

Overlays: In selecting courses, students will be required to identify courses that meet the overlay requirements in the areas of 1) Diversity, Globalization or Non-Western Area Studies, 2) Ethics Intensive and 3) Writing Intensive. Many of the courses already in your schedule may cover these areas.
