ELECTIVES (6)

[ILC] Integrated Learning courses (3)

[MAJ] Courses in Major (6)

<sup>1</sup>ACC 101EC Excel Competency is a one credit online course in conjunction with ACC 101. Competency in Excel must be demonstrated by all first-year business students in the fall semester.

<sup>2</sup>Finance majors must take at least one course in Calculus (MAT 123, MAT 155, or MAT 161). MAT 123 is required for students who did not take MAT 155, MAT 161, or receive credit for AP Calculus. MAT 123 only fulfills the ILC requirement, not the Math Beauty requirement.

<sup>4</sup>To satisfy this requirement the student may take either one-credit laboratory course or two 3-credit non-laboratory courses. If choosing the 2 semester option, the second course replaces an elective.

**Overlays:** In selecting courses, students will be required to identify courses that meet the overlay requirements in the areas of 1) Diversity, Globalization or Non-Western Area Studies, 2) Ethics Intensive and 3) Writing Intensive. Many of the courses already in your schedule may cover these areas.
