    *Pre-requisite ACC 101*  
    *(Note: ACC 315 Federal Income Tax, *Pre-requisite ACC 101, may be substituted for FPL 302)*

The first two courses in the Financial Planning Minor are called the financial core: ACC 101 Financial Accounting and FIN 200 Introduction to Finance. These two courses can be double-counted toward a student’s business major, and do not have to be replaced in the minor. Students are responsible for completing the prerequisites to these courses outside the minor.

The FPL minor requires students to complete the other four specialization courses in the topical area. These courses **cannot** be double-counted in the student’s major.
