MINOR IN RISK MANAGEMENT & INSURANCE

(For the Class of 2014 and following) Revised 10-21-11

The HSB offers a Minor in Risk Management and Insurance which requires a six course program of study – five required and one elective course as follows:

The five required courses:

- ACC 101** Financial Accounting
- FIN 200** Introduction to Finance
- RMI 200** Introduction to Insurance
- RMI 300** Property and Casualty Insurance
- RMI 301** Risk Management

The elective course:

- FIN** _____ Your course title: _____

This elective must come be a 300 or 400 level RMI course. FIN or FPL courses cannot be used to satisfy the requirements of the RMI minor unless approved by the Finance Department Chair.

The first two courses in the RMI Minor are called the financial core: ACC 101 Financial Accounting and FIN 200 Introduction to Finance. These two courses can be double-counted toward a student's business major, and do not have to be replaced in the minor. Students are responsible for completing the prerequisites to these courses outside the minor.

The RMI minor requires students to complete the other four specialization courses in the topical area. These courses cannot be double-counted in the student's major. The one exception to this is that students majoring in Actuarial Science may complete the RMI minor by taking ACC 101, FIN 200, RMI 200, RMI 300, RMI 301, and FIN 300.
