

## **INTEGRATED LEARNING COURSES 2013 – 2014**

### **BUSINESS INTELLIGENCE (DSS)**

**ILC #1 Required:** ECN 102    Macroeconomics

**ILC #2**

MAT 119\*    Applied Calculus **or**  
MAT 123\*    Differential Calculus **or**  
MAT 161\*    Calculus I **or**  
MAT 162\*    Calculus II

*\*see footnote below*

**ILC #3** any one course from the following departments:

**Political Science:**

POL 111    Introduction to American Government and Politics  
POL 113    Introduction to Comparative Politics  
POL 115    Introduction to International Politics  
POL 302    Modern Political Thought  
POL 303    American Political Thought  
POL 315    Government and Business  
POL 352    Political Booms and Busts

**Psychology:**

PSY 100    Introductory Psychology  
PSY 123    Psychology of Men and Women  
PSY 212    Multicultural Psychology  
PSY 230    Social Psychology  
PSY 235    Psychology of Gender

\*DSS majors must take at least one course in Calculus (MAT 119, MAT 123, MAT 155, or MAT 161). For those students who are placed into MAT 155 Fundamentals of Calculus or MAT 161 Calculus I, either of these courses will fulfill both their Math Beauty requirement and their ILC #2 requirement. These students may replace the ILC #2 course with any of the options listed above in Political Science and Psychology.
