"Having a why gives us a guiding light for business decision making, and a reason to get up and come to work every day."

- Bill Mignucci, Jr.
  3rd Generation Owner,
  Di Bruno Bros.

We recently had the pleasure of hosting 3rd generation owners of Di Bruno Bros., Bill and Emilio Mignucci, and longtime Di Bruno employee, Hunter Fike, as the headline speakers at our Family Business Legacy presentation.

At this Di Bruno-centric event, our dynamic panelists put into words what it is that they at Di Bruno Bros. strive to achieve every day and how they make their innate love for cheese and service come alive for their customers. Despite serving different roles in the business, Bill, Emilio, Hunter, and all employees alike are driven by the same mission (their WHY): to enlighten people through delicious food and engaging experiences.

What does the Di Bruno Bros. experience do for our customers?
Di Bruno Bros. is like going to the theatre, an enlightening experience. You should leave feeling better than when you came in. How do we make that happen? How do we WOW our customers? We...
- Lead then to discover culinary greatness
- Inspire them to eat adventurously
- Invite them to celebrate life through food

Our Mission Statement is WHY we exist:
Our mission is to enlighten people through delicious food and engaging experiences.

"I challenge all business owners to think about what they do and why they do it. What we do is one thing, the value is another thing. When you understand what you're doing, and why, it will give you a reason to come to work.

The experience drives employees to want to work for you. What I've learned after 25+ years is that the experience drives the employees just as much as the customers. It drives the owners, it drives the culture. It's an internal and external tool. It enriches the lives of more than just the customers - it enriches our own lives."
- Bill Mignucci, Jr.

Di Bruno Bros. is a pioneering specialty food retailer and importer that began with a modest shop in the now-iconic South Philadelphia Italian Market in 1939; today, we employ more than 350 proud team members and have evolved into a community-driven enterprise with our five retail locations, catering, import and e-commerce divisions.
