DAVID LIPSON, CHAIRMAN & CEO of METROCORP –*Philadelphia* magazine, one of the oldest magazines of its kind, was first published as a quarterly in 1908 by the Trades League of Philadelphia until S. Arthur Lipson bought the paper in 1946. The Lipson’s invented the city magazine and continue to play a role in defining its future. The *Philadelphia* and *Boston* magazines connect readers with their cities, improving lives by highlighting what is great, exposing what is not, and constantly sparking conversation about these regions and our times. Coverage includes Philadelphia and the surrounding Montgomery, Chester, Delaware, and Bucks counties as well as Camden and Burlington counties in New Jersey. During the summer, coverage expands to include vacation communities along the Jersey Shore. Special features include **The Best of Philly** awards, **Top Doctors**, and **50 Best Restaurants**.
