

Saint Joseph's University Building and Location Names

When referring to Saint Joseph's University buildings and locations, use the guide of the most frequently cited spaces below to ensure proper name usage and spelling on first and ensuing references.

First Reference

For first reference, use the entire name of the building (see below). For alumni-named buildings, use class years in all instances except:

- Cardinal John P. Foley Campus Center
- Ramsay Basketball Center
- John W. Smithson Field

Ensuing References

In the ensuing references to any of the following within a story or communication, use the shortened version indicated below. Locations have been added for increased usability.

Points of Clarification

- The John R. Post '60 Academic Center houses the John and Maryanne Hennings Post Learning Commons and Francis A. Drexel Library.
- The Wynne Hall of Fame Room is located within the Ramsay Basketball Center, not Hagan Arena.
- Athletic Center includes the Jamie Maguire '84 Pool, Casciato Basketball Practice Facility, locker rooms and other athletic spaces.
- Though Wolfington Teletorium is located in Mandeville Hall, it is not to be referred to as Mandeville Teletorium.
