Essential to the success of Saint Joseph’s University brand is the use of our distinctive logos, colors and voice. A consistent, cohesive graphic style establishes an identity and recognition of the University.

This brand book is a guideline of University design elements to be used for print, web and digital communications. Design or color alterations to the specifications in this manual are not permitted. Improper use of university logos or incorrect colors may result in redesign and reprinting. This includes projects designed and printed by outside vendors.

Resources for SJU’s editorial style are available at sju.edu/styleguide.

For other questions related to visual design, print, brand voice, content, web design and structure, consult the Marketing and Communications team at sju.edu/marcomm.

Institutional logos

UNIVERSITY SEAL

The University crest is an emblem, which references the history and founding of the Jesuit order (the Society of Jesus) by Saint Ignatius of Loyola. It also contains iconography symbolic of Saint Joseph, the patron saint of the University.

This crest is featured in the official University seal. The graphic icons in the image to the right, rendered in shapes and lines, were simplified to give the seal a crisp appearance in small-scale reproductions.

The Saint Joseph’s University seal is the official seal of the University. It is to be used for legal documents, diplomas and commencement programs. It may not be used on general University publications or on any merchandise. The use of this seal must always be cleared through Marketing and Communications.

UNIVERSITY LOGOS

Saint Joseph's University's graphic identity consists of two parts:

The logotype, which is the institution's initials with the icon of a lily (the liturgical flower of Saint Joseph) above the letter 'J.'

The logotype combined with the full name of the institution, stacked or in one line. This is the official identity signature for Saint Joseph's University.

The logo colors are Pantone 201 and Cool Gray 11.
ATHLETIC LOGOS

The athletic logotype does not replace the official University logotype.

These logos are reserved for athletic purposes only, and their use must be approved by the Office of Marketing and Communications.

All other versions of athletic logos have been retired and may not be used.

SOLID HAWK LOGO

This version of the Hawk logo may be used for non-athletic print and digital materials with permission from the Office of Marketing and Communications. This Hawk does not replace the official University logotype and does not take the place of the athletic Hawk logos.

DEPARTMENTAL AND PROGRAM LOGO TREATMENT

The names of schools and programs are added flush left below the university logo.

SECONDARY DEPARTMENTAL AND PROGRAM LOGO TREATMENT

The SJU logo is separated from the department name with a vertical pipe.

**Fonts:** frutiger

**sans-serif typeface**

Frutiger is a sans-serif typeface created in 1975 by the Swiss type designer Adrian Frutiger. It was commissioned in 1968 by the newly built Charles de Gaulle Airport in Roissy, France, which needed a new directional sign system.

Frutiger’s goal was to create a sans-serif typeface with the rationality and cleanliness of Univers, but with the organic and proportional aspects of Gill Sans. The result is that Frutiger is a distinctive and legible typeface. Ascenders and descendents are very prominent, and apertures are wide to easily distinguish letters from each other.

**Usage**

Frutiger is most often used for headlines. Large headlines and messages are in 45 light upper and lower case. Depending on the content hierarchy, subheads are in 75 black or 65 bold in upper and lower case, never all caps. Color of heads should be red (PMS 201C), black or gray (70% of black). Gray should always be used as a supplement to red or black, never by itself.

**FEELS:**

bold and assertive

**USED FOR:**

big bold statements

subheads/body lead-in
call-outs

short factual body copy
Fonts: sabon serif typeface

Sabon is the name of an old style serif typeface designed by the German-born typographer and designer Jan Tschichold (1902–1974) in the period 1964–1967. A modernist, he played a significant role in British book design, creating timeless modern layouts and fonts for Penguin Books.

Usage
Sabon is used for body copy. Size is generally 10 point. Color is often gray (70% of black). Gray is easier on the eyes and gives accompanying color headers (black/red) a heightened level of hierarchy.

FEELS:
quiet professional smart

USED FOR:
body copy
PowerPoint template

Download the PowerPoint presentation template on the Office of Marketing and Communications website.
Red block

Using a **RED BLOCK** is not required.

Should you choose to use the red block, you may use only **ONE** per ad/spread.

**Blocks of color.** Blocks of color should be used sparingly for emphasis and to establish information hierarchy. Messaging in the block either sets up a live greater scenario or answers it. If the message is too long to fit comfortably, either edit or move that information to a side bar or body copy.

When the red block is used over a photo, it should be noticeably transparent. To maintain its color vibrancy, it is actually built with **2 blocks** on top of each other. The **bottom block is white** with a normal opacity of 60-80% in the effects window. The **top block is PMS 201C** with multiply selected in the effects window with **100% opacity**. The copy on the block is always white in Frutiger light. If the headline prior to the block ends with a period, the type in the block begins with an initial cap. If no period, the type is a continuation and is lowercase.
Photography should convey a light, airy quality which complements the headline — the headline being the real hero in the new branding. Imagery should give off a friendly, inviting vibe. Photographs should utilize compositions with plenty of negative space for text.

Never use low-resolution or cell-phone images in print pieces.

Existing marketing images can be found at sjuphoto.com and searched by keyword. For information about how to use the archive site, please visit sjuphoto.com/faq.

For assistance with image selection, or to schedule a photo shoot for your specific marketing piece or event, please email Creative Services at getcreative@sju.edu. Allow at least one week for photo shoot scheduling and at least two working days for processing once the shoot has taken place.

Photography feels:
- light
- energetic
- alive
- positive

The story of Saint Joseph’s is a history of people who never sit back and watch the world go by. In fact, they change it for the better.
Find your purpose.

Translation: Find your God-given gift and use it. That Jesuit ideal is a big deal at Saint Joseph’s. As one of the country’s great 28 Jesuit schools, we inspire students to dig deep and discover what they live for. Pushing them to do things like build communities in South America and save lives by preventing brain disorders in young athletes. Time to light up the world. #LiveGreater

Live greater.

Find the magis within.

Giving your all isn’t easy. It takes initiative. Guts. Strength. But if you’ve got the courage to be a Hawk, we’ll show you the way: magis. It’s the Jesuit ideal that inspires us daily to think more broadly, work a little harder, and make the most of our God-given talents. Because that’s what Hawks do. #LiveGreater

Saint Joseph’s University
Life isn’t a spectator sport.

#LiveGreater
There's so much more to life. Jesuits called that idea magis. At Saint Joseph's, we live it. Students open their minds and find their fire — then set the world ablaze with it. They start their own companies. Write novels about ethics (and time travel). Win national business competitions. And earn Fulbright awards to teach English in Slovakia. In other words, they're living lives of greater purpose. Find yours.
Find your higher purpose.

At Saint Joseph’s, class isn’t just a two-hour block; it’s a gateway to living greater. Our 200+ global-minded (and nationally ranked) academic programs create a deeper connection between you and the world around. So you’ll become the can-do, will-do thinker who changes it for the better. And there’s no greater purpose than that.

Because good enough simply isn’t.

That’s been our philosophy since 1851. And it’s why Saint Joseph’s is a member of Phi Beta Kappa, America’s oldest academic honor society. We’re also ranked among the top colleges in the Northeast by U.S. News & World Report, Forbes, and the Princeton Review.
