Volleyball Job Descriptions

Supervisors
Arrive 30 minutes prior to first game to set up court. Help organize student worker schedules and make sure all student workers clock in and out. Make sure teams are on time and games are on schedule. Help scorekeepers and referees before, during, and after games. Tend to any injuries, issues, and questions patrons may have. Document any issues or concerns on IM Supervisor Excel sheet. Clean up court and make sure all scores are filled out.

Referee
Arrive 30 minutes prior to first game to help set up courts. Review rules with each team captain and make sure the games run smoothly. Communicate that patrons will decide if balls are in or out and that you are there to alleviate any issues and make calls accordingly. Report to supervisor with any issues or injuries. Help tear down courts.

Scorekeepers
Arrive 30 minutes before the first game to help set up courts. Make sure teams are dressed appropriately and check patron IDs. Keep score on scoreboard and fill out end result on paper/iPad and put in clipboard. Document injury reports and inform supervisor of any issues.

*All student workers will decide on a “team of the week” each night of competition. The supervisor will email or text Alex their choice at the end of the night or next day. Winning “team of the week” will be featured on our social media pages and website.
