Anti- Hazing Agreement

Hazing is defined as "any action or situation created intentionally, whether on or off campus premises, to produce mental or
physical discomfort, embarrassment, harassment, or ridicule." Saint Joseph's University prohibits all forms of hazing. The Anti-
Hazing Law of Pennsylvania states that any person who causes or participates in hazing commits a misdemeanor of the third degree.
It also includes the willful destruction or removal of public or private property in its definition of hazing.

Aside from the legal aspect of hazing, the University believes that hazing is contrary to the Christian teaching of human dignity and
contradicts an environment of friendship, maturity and charity within its collegiate community.

Individuals found responsible of hazing may be fined, placed on probation, suspended or dismissed. Likewise, organizations, clubs
and teams may be fined, placed on probation or disbanded. Other sanctions may also be appropriately issued. Organizations, teams,
or chapters may also face sanctions by University departments under which they function.

*I have read the above definition and agree not to participate in any such activity, either as a requirement of my
initiation or as an initiated member of my fraternity or sorority.*
